Caltrans Makes Improvements to Park and Ride Lot

Petaluma, CA – The Park and Ride lot on highway 101 and South Petaluma boulevard is closed for construction to make it more accessible to people with disabilities. Some of the improvements include:

- Additional sidewalk with curb ramps, gutter, and crosswalk
- Relocating stop signs for better access and visibility
- Replacing a culvert and pedestrian bridge

The lot is scheduled to re-open August 25, 2004.

The following alternate Park and Ride lots are open and available during the construction period:

1. Lakeville highway @ U.S. 101 (served by route 76)
2. North Petaluma Blvd. @ Gossage (served by routes 73, 74 and 80)
3. East Washington street at the fairgrounds (served by route 75)
